

RESOLUTIONS – ERA ENDORSEMENT

YES, we want to support the ERA to end economic discrimination and violence against women and to promote equality for all women through an Equal Rights Amendment to the United States Constitution.

We endorse legislative efforts to secure the Equal Rights Amendment, either through passage of a new amendment or by completing ratification of the amendment passed by Congress in 1972.

Please list us as an organizational member of the Coalition for the ERA and convey our support for the ERA to all members of the U.S. Senate and the House of Representatives, as well as to members of state legislatures dealing with the issue.
