

WHERE ARE YOU NEEDED MOST?

Several Democrats have already pre-filed, but the Lake County Democratic Party is still searching for candidates to run in two types of races in 2018. There are partisan races, listed below, and there are non-partisan races for School Board, the Soil & Water Board, and in everyone of Lake County’s municipalities. To qualify as a candidate in most races, you must either pay a fee or submit petitions signed by registered voters. To find out if you live in a district, check your voter card or call the Lake County Elections Office at 352-343-9734. For more information, please click on our *How Can We Help* screen.
